

## FACULTY POSITION

### YALE UNIVERSITY

#### DEPARTMENT OF MOLECULAR BIOPHYSICS AND BIOCHEMISTRY

The [Department of Molecular Biophysics and Biochemistry](#) at Yale University seeks applicants for a tenure-track faculty appointment at the Assistant Professor level in an area of biophysics and structural biology, with a concentration in single particle cryo-electron microscopy. Candidates are expected to contribute to the department's teaching program at the undergraduate and graduate levels and hold a Ph.D. or equivalent degree at the time of hire. Our department, which is located in both the Faculty of Arts & Sciences and the School of Medicine of the University, spans a broad range of areas including biochemistry, structural biology, molecular biology and molecular genetics. Applications should include a curriculum vita, cover letter, a statement of research interests, a teaching statement, three letters of reference, and preprints of any papers in press. Completed applications should be submitted online at <http://apply.interfolio.com/31164> and addressed to:
