

Gordon Research Conferences

frontiers of science

Announcing the 2023 Gordon Research Conference on:

Volume Electron Microscopy

Capturing subcellular architecture from organelles to organisms

Ilya Belevich, EMBL, University of Helsinki

Date and Location:

July 16-21, 2023
Four Points Sheraton
Ventura, California, USA

Organizers:

Chairs 2023: Lucy Collinson and Paul Verkade
Chairs 2025: Kedar Narayan and Yannick Schwab

Meeting Description:

Bringing imaging scientists and life science researchers together to share about the latest innovations and impact in vEM

Submission Deadline:

18 June 2023

Speakers and Abstracts:

A full program is available on the website.

A number of shorter presentations will be selected from the poster abstracts.

More details and online application are available at:
