

Fifth New York Area Cryo EM Meeting

Location: NYU Langone Medical Center

Date: June 25, 2025

Organizers: William Rice (NYU) and Francesca Vallese (ASRC CUNY)

Goal: Presentation and discussion of new developments in cryo EM and Cryo ET

New methods

Difficult datasets

Technical challenges

This meeting will be capped at 140 participants.

Participants will be chosen to maximize representation of cryo EM labs.
